

BERWICK TOWN COUNCIL

A new way to get things done in Berwick, Spittal and Tweedmouth

Berwick Town Council would:

- Have a say on planning applications affecting Tweedmouth, Spittal and Berwick
- Have access to funds not available to the Borough Council, for improvements to Spittal, Berwick and Tweedmouth

Berwick Town Council could:

- Develop riverside walks and improve open spaces
- Run community centres
- Improve the streetscape with hanging baskets and floral displays
- Provide signage to local facilities and attractions
- Provide and run public toilets
- Improve the local play parks
- Provide new bus shelters
- Enhance the places where you live, work and play

Berwick Town Council would give you the right to have your say on how things are done in your town.

Note: It would be possible to have many of the same benefits from separate Parish Councils for Berwick, Tweedmouth and Spittal, although these would be smaller and may therefore have less money to spend.
