Dear All

Please find attached the first draft of the Berwick Borough Play strategy, this is our starter for ten, and still requires a good deal of work. In order to progress the strategy we need as much input as possible from all of you. The strategy will have clear links to the Local Development Framework, the Community Plan, and the Open Space Strategy, as well as the Sports Development Strategy and we are currently trying to evidence as much local information with regards to play as we can.

The consultation on the strategy will go out to all partners via the BBC website and intranet, all Parish and Borough Councillors, Children's Services, (including all schools), the Berwick Borough Local Strategic Partnership, and the FACT.

We need all your comments and suggestions back by the 8<sup>th</sup> September to give us time to amend the plan accordingly

We are now in the process of forming a 'Play Partnership' which will help not only to drive forward the 'Big Lottery' bid, and the play strategy, but will also support wider play developments across the borough, including the 'Heritage Play Trail'.

If you would like to be involved in any or all of this we would like to hear from you.

Yours sincerely

Gerald Connor
